

overdraft coverage options: overdraft privilege and overdraft protection

Verity Credit Union understands that unexpected overdrafts occur from time to time – Overdraft Coverage can help.

Overdraft Coverage Options

The choice is yours. Consider these ways to cover overdrafts:

Service	Cost
Overdraft Protection Link to Another Deposit Account you have at Verity Credit Union¹	\$5 fee per transfer
Overdraft Protection Line of Credit^{1, 2}	Subject to interest
Overdraft Privilege	\$28 overdraft fee per item.

¹Contact us at (800) 444-4589 or OverdraftRequest@veritycu.com, or come by a branch to sign up or apply for these services; ²Subject to credit approval.

Overdraft Protection services apply to all types of transactions and may help protect your account from being overdrawn by automatically transferring funds to your checking account from another account or line of credit you may have at Verity Credit Union for a fee or finance charge. Please note that lines of credit are subject to credit approval.

Overdraft Privilege allows you to overdraw your account up to the disclosed limit for a fee in order to pay a transaction. Even if you have overdraft protection, Overdraft Privilege is still available as secondary coverage if the other protection source is exhausted.

What Else You Should Know

- We post items in the following order: 1) ACH credits, 2) internal transfers and loan payments, 3) checks (in the order received), 4) ACH debits (in the order received), 5) ATM and debit card transactions (in the order received, may post throughout the day). However, exceptions will occur. Holds on funds (described below) and the order in which transactions are posted may impact the total amount of overdraft or return fees assessed.
- Verity authorizes and pays transactions using the available balance in your account. The available balance is comprised of the ledger balance (collected funds) less any debit card holds, and does not include any deposited funds on hold. Verity may place a hold on deposited funds in accordance with our Deposit Account Agreement and Disclosure. If the funds in the available balance are not sufficient to cover a transaction, any available overdraft protection and/or the amount of the Overdraft Privilege limit, may be used to authorize and pay a transaction. Verity Credit Union will place a hold on your account for any authorized debit card transaction until the transaction settles (usually within two business days) or as permitted by payment system rules. In some cases, the hold may exceed the transaction amount. When the hold ends, the funds will be added to the available balance in your account. If your account is overdrawn after the held funds are added to the available balance and the transaction is posted to the available balance, an Overdraft Fee may be assessed. Please call us at (800) 444-4589 if you have any questions.
- A link to a savings account or a line of credit is a less expensive option than an overdraft. A single larger overdraft will result in just one fee, as opposed to multiple smaller overdrafts. Good account management is the best way to avoid overdrafts. Use our mobile banking, Internet banking, and telephone banking services to keep track of your balance.
- The \$28 fee is the same fee that would be charged if a check was returned as unpaid. If multiple items would overdraw your account on the same day, each item would be assessed an appropriate Overdraft fee or a Return fee of \$28. All fees and charges will be included as part of the Overdraft Privilege limit amount. Your account may become overdrawn in excess of the Overdraft Privilege limit amount as a result of a fee.
- Even if you have overdraft protection, Overdraft Privilege is still available as secondary coverage if the other protection source is exhausted.
- Although under payment system rules, Verity Credit Union may be obligated to pay some unauthorized debit card transactions, Verity Credit Union will not authorize debit card or ATM transactions unless there are available funds (including Overdraft Coverage Options) to cover the transactions and any fee(s).
- Giving us your consent to pay every day debit card and ATM overdrafts may result in you incurring overdraft fees for transactions that we would otherwise be required to pay without assessing an overdraft fee. However, this would allow us to authorize transactions up to the amount of your Overdraft Privilege limit and may also help you avoid overdrafts in excess of your available funds that could result in restriction of your debit card.
- Except as described in this letter, Verity Credit Union will not pay items if your account does not contain available funds (including the Overdraft Privilege limit) to cover the item(s) and the amount of any fee(s).
- We may restrict your debit card use if you incur overdrafts in excess of the available funds in your account, including any Overdraft Privilege limit.
- Overdraft Privilege limits of up to \$800 are available for eligible Personal Checking accounts opened at least 30 days in good standing.
- Overdraft Privilege limits of up to \$1000 are available for eligible Business Checking accounts opened at least 60 days in good standing
- Overdraft Privilege is not a line of credit; it is a discretionary overdraft service that can be withdrawn at any time without prior notice.
- Overdraft Privilege may be discontinued if you default on any loan or other obligation to us, your account becomes subject to any legal or administrative order or levy, or if you fail to maintain your account in good standing by not bringing your account to a positive balance thirty (30) days for a minimum of one business day.
- Depositor and each Authorized Signatory will continue to be liable, jointly and severally, for all overdraft and fee amounts, as described in the Deposit Account and Disclosure Agreement. The total (negative) balance, including all fees and charges, is due and payable upon demand.
