

VERITY CREDIT UNION TRUTH-IN-SAVINGS DISCLOSURE-SAVING AND CHECKING ACCOUNTS

1. Rate Information

The interest rate and Annual Percentage Yield (APY) on your accounts are set forth on the Rate Disclosure. The APY is an annualized percentage rate that reflects the total amount of interest to be paid on an account based on the interest rate and frequency of compounding.

The interest rate and APY for all accounts are set by Verity's Pricing Committee.

Cartwheel Checking, Money Market (MM) and Variable IRA share accounts are tiered rate accounts.

Once a balance range is met, the APY for that range will apply to the entire balance, except for the Cartwheel Checking accounts. Please see #7 below for a thorough description of Cartwheel Checking rate calculation information.

2. Interest

Interest is paid at the end of an interest period at the rates set by the Pricing Committee.

Interest rates and Annual Percentage Yields set forth in the Rate Disclosure are accurate as of the effective dates stated.

3. Compounding & Crediting

Interest is compounded and credited monthly. The interest period for all accounts begins on the first calendar day of the period and ends on the last calendar day of the period as set forth in the Rate Disclosure.

4. Accrual of Interest

Interest begins to accrue on all deposits on the business day the deposit is made to the account. Interest is calculated by the daily balance method, which applies a daily periodic rate to the principal balance in the account at the end of the day. Fees may reduce interest earnings on the account.

5. Account Limitations - Balances & Interest

The minimum balance required to open accounts is set forth in the Rate Disclosure.

For members who have only one Prime Share account, no other Verity CU accounts and an average daily balance of less than \$200 during the quarter, a single service/low balance fee will be assessed each quarter.

The average daily balance is calculated by adding the end-of-day balance in the account for each day of the month and dividing that figure by the number of days in the month.

6. Account Limitations - Transactions

For MM accounts, the minimum check withdrawal amount is \$500. For Variable IRAs, during the first six (6) days after an account is opened, withdrawals may be made without restriction.

7. Reward Checking Account Limitations

Limit one (1) rewards checking account per primary accountholder. Rewards checking includes Cartwheel, Cash Back and Double Cash Back Checking accounts.

Must be at least 18 years old to open a rewards checking account.

Cartwheel, Cash Back and Double Cash Back Checking account limitations: To earn the reward rate or cash back and ATM refunds, the accountholder must meet the following three (3) requirements per Monthly Qualification Cycle:

1. Make at least 12 point of sale (POS) purchases using their debit card.
2. Agree to receive account statements electronically (eStatements) and provide a valid email address.
3. Log in to Verity Digital Banking at least once during the cycle. A Monthly Qualification Cycle for Cartwheel, Cash Back and Double Cash Back Checking is from the last calendar date of the previous month to the day before the last calendar day of the current month (ex. June 30-July 30). Only debit card transactions processed by merchants and received by the credit union as POS transactions count towards qualifying transactions. Transactions must post and settle to account during the Monthly Qualification Cycle to qualify.

Debit card transactions processed by merchants and received by the credit union as ATM transactions do not count toward qualifying debit card transactions.

For **Cash Back Checking**, if the accountholder meets the monthly qualifications, the account will be refunded up to 2.00% of the first \$250 spent via POS purchases during the cycle. Maximum cash back award is \$5 per Monthly Qualification Cycle.

For **Cartwheel Checking**, the APY for balances above \$10,000 will be a blend of 00.75% for balances less than or equal to \$10,000 and 00.05% for balances above \$10,000.

For **Double Cash Back Checking**, if the accountholder meets the monthly qualifications, the account will be refunded up to 4.00% of the first \$250 spent via POS purchases during the cycle. Maximum cash back award is \$10 per Monthly Qualification Cycle.

If qualifications are not met for Cash Back or Double Cash Back Checking, ATM fees are not refunded and no cash back reward is earned.

If the account qualifications are not met, Cartwheel Checking will not earn interest on the entire account balance and will not receive ATM refunds for that time period.

Verity may change the interest rate, tiers and APY at any time after the account is opened.

8. Youth Prime Shares

Persons with the ages of newborn through 17 are eligible for a Youth account. When the member reaches the age of 18 years, the account becomes a regular Prime Share.

Revised July 1, 2021
